

# Charger Child Care, Inc.

Quality Pre-school / Child Care

## Busy Bees

Our classroom is located on the lower level of the building. We have a teacher and teacher's aide to assist your child throughout the year as they learn many new and exciting things. We will concentrate on science, technology, engineering, arts, mathematics, language arts, large motor and manipulatives during our weekly lessons. We prepare them for kindergarten, socially and academically.

As they year goes forward there will be new skills for them to learn, some may come easily and some may be more difficult. In September we evaluate each child to get a feel of how your child is doing and if they need extra help. Our hope is by the end of January they are reading site words and wanting to write words to paper.

Toward the end of the school year we set up a conference with you to go over their skills and abilities so that you are confident that your child will be strong when going to Kindergarten.

We finish the year off with a graduation ceremony to celebrate all of their accomplishments.

Drop off:

- Use the lower level driveway
- Bring your child into the building, place their belongings in the cubby, sign in, and wash hands.
- We serve breakfast between 6:30a – 7:30a, outside

food is not allowed.

- Take your child to greet the morning teacher in the classroom at the end of the hallway
- Please make sure to have interaction with a teacher before you leave so we are aware of their arrival.

Pick Up:

- Please be aware that your child may be outside or in a different room when you pick up.
- All teachers pictures will be on a welcome board to help get to know us all and our classroom names.
- Please make sure to sign your child out.

## Parent board:

- The daily schedule is posted here.
- The menu is posted here.
- The weekly lesson plan is posted here.

## Nap time:

- Each child has their own cot, pillow, and blanket and anything else they may need for this time.
- If they bring something special and it needs to go back home please leave a note so that it can be placed back in the cubby.
- Lights are turned off and soft music is played.

## Evaluations:

- First week of September we will do evaluations and send them home. If you would like a conference or have any questions we can set that up.
- Second evaluation will be the first week of April and a copy will be sent home.
